Aspen Albums

Create a stylish album that will last a lifetime. The Aspen Album offers an impressive range of customization options, including gorgeous cover materials like Leather, Silk, Linen, Brushed Metal, and Acrylic Photo Covers, in dozens of different colors. It's hand-crafted from the finest raw materials to provide unparalleled quality. Aspen's solid construction & warp-proof pages ensure your one-of-a-kind album will last for generations.

Optional Cover Window or Cover Inset

*Not available for Alligator Leather or Brushed Metal

Mount cover photos in two distinct styles: The classic Cover Window gives the impression of an actual window by deeply mounting the print onto the cover, while the Cover Inset simply embeds the print on the cover for a sleek, modern look.

Imprinted Text Font Options

**Although custom imprinting is not available on Alligator Leather, Linen, or Brushed Metal covers, clients can request imprinting on inner liners.

Choose *Kabel*, a sans-serif font, or *Coronet*, a script font. Embossing color options are blind, black, white, silver, gold, metallic blue, red, orange, and green.
