## FRAMING Black with White Mat

Our frames are solid wood with a contemporary, angular profile measuring 1.25" wide x .75" deep. A special coating gives the moulding a rich color and smooth finish. It comes with an 8x10 shatter and scratch-resistant acrylic to protect the print. Hanging hardware is included with your frame. The specific hardware depends on the size of the print. Mat will only cover a tiny fraction of the print's edge Matting material is 2-ply and completely archival. Includes wall hanging hardware.

Pre-Event and Day-Of orders print included. Orders placed after Nov. 4 must purchase print separately.
